“ *I was in the Army with Jerry, both at Ft. Benning GA, and, CAmp Kaiser Korea. As a matter of fact, we were in the same squad. WE were both teens and early 20's back then, full of p\*\*\* & vinegar. WE had some good time and tough times, as, it was not an easy assignment. I can sum Jerry's life up in two words "Good Guy!" When I looked for him, on line, I hoped he were still with us, but I was too late. What I found was, a loving family that misses him deeply. Jerry, was a good guy, and I, was fortunate to have known him.*

“ Jerry and my grandmother, Debra, adopted my two older siblings when we were younger. The past 13 years have had some crazy moments and memories that I will hold forever. The love I have for you is never ending. We've had some crazy road trips, camping trips and fishing trips (even though I hated fishing) together. Not a day has went by that I don't miss you and see pictures and smile because you've been the best dad I could ever ask for and cry because you're not here physically anymore. It's going to be hard not having you at my band concerts and school events that you always went to. You always made time for your wife and kids no matter what. 13 years just doesn't seem long enough. But I promise you we will meet again some day. You were always such a sarcastic goofball. You never went anywhere without making a new friend and making someone smile. Thank you for always being my number one best friend, my father, my rock, and my old man. You've done a great job. I love and miss you very much❤️
