“ *Today was a very sad day for many! JoAnn was my best friend when we were growing up together in Maysville. So many memories are flooding my heart as I think of all the great times we had together. I was so glad that JoAnn had moved back to Maysville, and was looking forward to spending time with her. My prayers are with Mrs. McClure and JoAnn's cousins and friends.*

“ She was my best friend for over 44 years. I love her dearly and can't imagine my life without her. However , I also 44 years of wonderful memories. All our vacations together and other adventures. She loved me and my husband and was always there with a helping hand during his illness.

She was there by my side during my open heart surgery and my cancer surgery. We were there for her also during some bad times. We loved each other as sisters. She's now with her beloved Johnny and her dad.

Rest In Peace my dearest JoAnn. We love you and will never forget my BFF.

My condolences to Mom Edna, Heath and Kenny.

“ McClure family:

Our hearts are broken over the sudden loss of JoAnn at the young age of 71.

JoAnn will be miss by all who knew her. We will always treasure the memories of the many good times we enjoyed together.

JoAnn was a an associate and a beloved member of our Georgia Power family. For the years we served together she impressed us all with her dedication, intelligence and kindness. Her passing is a deep loss for all of us.

Our condolences to the McClure family and our Prayers will be for you.

We are very sad that due to health issues we will not be able to attend JoAnn's funeral.
