“ Six years ago I was worried about finding a place to live when a friend said I know of a place to rent & that’s when I met David Ervin. David said it was his mom’s house, it meant a lot to him & to make it a home for Slater & I. He stopped by one day stood in the kitchen smiling & said “ mama would be proud of y’all taking good care of the place. “ He would call from time to time asking if we needed anything & always say “ I don’t want to bother you I’m just making sure everything is good at the house for you & your boy? Been busy at work? You be safe out there! I worry about you & Zach Eubanks being out there on the road? “ I always told David I appreciated him & he would say “ well if you need anything just give me a call. “ I go by to visit with Chris letting him see my patrol car & David would always thank me for stopping to see Chris. You’ll not find a better family & I’ve been praying that David knew what he meant to Slater & I. David Ervin was one of a kind. He wasn’t much for the mushy stuff, but I hope he knows I loved him like a dad.
