“ *Our thoughts and prayers are with Jimmy and the whole family. We were neighbors forever and she kept my children at one time. Sweet lady that will be missed by everyone that knew her. Loved her. Larry Harper's family.*

“ *When Judy, Susan and I would be bowling and having a bad night. You would look at Judy and she would act like she was gathering thin air. Reaching left , then reaching right and then the middle. I would say what are you doing. She would say gathering my **** together. Usually that would make the stress go away and we would bowl better. Judy I will forever gather my **** in your honor. I miss you already.*

“ Judy was my Grandma. I will always remember the trips to Waffle House for breakfast after a sleepover, watching the Braves and BIG holiday get togethers. Grandma was the party planner! She didn't ask you want you were bringing she just told you want the menu was and told you what she signed you up for. 😊 She was loved and will be missed dearly!
