But God took a Angel cause he needed her! She is with her brothers, and her parents, and my mom and dad! I know they are having a blast! I will be praying for the family during this rough time! “ Words can't even describe right now. I am so very sorry to hear of Judy Kay passing. She was such a sweet heart. She sure made me laugh a time or two.

I pray that God will give you comfort and peace during the next few days as you prepare to say your final farewells to Judy.

I know that she is sitting by the river with Mrs Lois and the other family members, her brother and that precious daddy. God give you all strength and let you feel the love.
