“ *Nanny, I am so thankful for the grandparents you and papa were to Bryan and Brad. They have special memories because of you that will forever be kept alive in our hearts! I will also cherish the sweet time you and I had together a couple of years ago when you stayed with us. Singing Alan Jackson's gospel music on Sunday mornings was a gift that I will always be grateful for. Moments like this and watching you sing with Bryan and Brad over the years will forever be treasured in my heart. I love you! Laura*
