“ *I would always see Kathy in the copy room when she first started teaching at BHS. She told me that I was the first person she (casually) talked to on staff, and we always reflected back to those chats. She was a nice person and a great teacher. I am sorry to hear about her passing, and her family is in my prayers.*

“ *I am so sorry to hear about Kathy's passing. She and I were neighbors down in the BHS "basement" at the old school. She was a sweet and kind lady who loved teaching and loved her students.*

“ *Our love to the children, parents, siblings and family members. We loved the Shirley's who gave us the best son-in-law and brother to our girls anyone could do. We will miss you and see you again in Christ. Thank you for being a friend.

“ My prayers and hugs are with each of you during this time. You kids have lost the two most precious people in your life, but let me assure each of you, they did a fine job of raising some good kids. I did not know your mom like your dad, but I will attribute your mother to doing a great job. God has them both together in heaven now and you kids can be proud of their legacy they leave behind. Big hugs for all of you.
