“ *Dear Haggard family,
I just learned of Keith's passing. Please accept my belated
condolences.*

*Back in the day of Solar Tax 1.0, I attended solar conferences with
Keith to spread the passive word. I was known as the father of
"Blow away solar heating" in Taos. That greenhouse product was
more formally know as Solar Room(R).*

*Maybe you can help me locate Doug Balcolm who was my age.
When he was at LANL, he was my DOE project manager. Is he still
around?*

*With kind regards and thanking you for any help,
Stephen Kenin
