“ *To Barb and your family: My sincere regret that Ken has left us all and my hope is that he left his family strong and full of faith. I have so many memories (and all good) of us when we were young and carefree; such a Blessing to have friendships that last a lifetime. I remember vividly Ken's first day at MVHS and all the girls whispering how "cool" he was and I remember standing in Pam Pitkin's upstairs bedroom as you told me you were married. Of course, all the fun times we had on our visits home at Christmas time with Gordon and Dick and Yauger and Ken stealing the show! Yep, he was one, great guy and I can assure you I am writing this note with a lump in my throat and tears in my eyes.*

Be Strong - God Bless and RIP Friend,

Sally Tanner
