

Ms. Kolbi Lee Stephenson

July 12, 2007 - January 19, 2022

On behalf of our family, we announce the passing of our beloved Kolbi Lee. Kolbi Lee passed away peacefully on January 19, 2022, surrounded by her loving family. She was part of The Jefferson Church family and enjoyed participating in the dance program for special needs children at Graceful Gospel Dance Academy.

Kolbi Lee loved spending time with her family, listening to music, watching movies with her brother and sister, and sitting on the beach with her toes in the sand each year during her annual family vacation. Her favorite time of year was Christmas because she loved listening to holiday music and looking at the lights. She and her Giggie usually started celebrating each July.

Though she faced numerous challenges she was a fighter and touched the lives of many with her beautiful smile.

She is survived by her parents, Adam and Jessica; brother, Kipton; sister, Kellar Beth and a host of family and friends.

The visitation will be held at Little-Ward Funeral Home on Saturday, January 22, 2022, from 5:00 pm-8:00 pm. A celebration of Kolbi Lee's life will be held at The Jefferson Church on Sunday, January 23, 2022, at 3:00 pm. This will be a joyful celebration of Kolbi Lee's life and the family asks that attendees

please wear Kolbi Lee's favorite colors, purple and green. In lieu of flowers please consider donating to a fund in memory of Kobi Lee at United Community Bank in Commerce, Ga. Proceeds will provide a bench and tree to be placed at Commerce Middle School in her memory.

“ *This little ray of sunshine captured my heart the day she was born! We became the best of buds anytime we had the chance to be together. I could sit and hold her all day and talk to her as we listened to her music. If her music stopped she would get a tad bit upset. She did not mind showing that little attitude she could get sometimes. We would laugh and snuggle until she got older and wouldn't let me hold her anymore. God knew what he was doing when he blessed our family with this little Angel! He could not have chosen better parents in this entire world for her to have other than Adam and Jessica. My heart hurts for those of us she left behind, but I am so happy that Kolbi Lee is now able to run and play! I know she had many waiting for her when she arrived. We will miss this little ray of sunshine! We will see you soon KL! Misty J*

Adam and Jessica, Our deepest heart felt prayers are with you. No words can describe a loss of a dear child, but great memories, friends and family will be by your side to help you through this walk on earth, and know there is a greater comfort that she is walking those streets of gold with her arms wide open to hug you again with a smile bigger than any rainbow!
