“ Tommy, Briana and Candace,

*My heart goes out to all of you over the loss of your wonderful wife and Mother! I was so shocked to hear of her passing as I know you were. I just couldn't believe it when I heard. She did my hair on the Tuesday before she passed, and I am so thankful the Lord gave me that opportunity to spend that special time with her. I never dreamed that would be the last time I saw her on earth. But I rejoice in the fact that I will see her again in Heaven one day. She loved the Lord with all her heart, and I know she is happier than she has ever been now that she is in his presence. I know you will miss her dearly, but take comfort in knowing that she was an awesome testimony for the Lord every day of her life and that you will see her again one day as well. My thoughts and prayers are with you during this sad time. May God Bless you all!*
