“ Leslie seemed to me a delightful and blithe spirit. I remember her well, especially when Cookie and I visited Memphis with Larry and Lois. To all her immediate family, our deepest condolences. Cousin Joan & Missak

“ I remember some cousin times together with Leslie. One was a family trip where we met at a resort in Hayward, WI in the early 60's and then a few trips to Memphis. So sorry to hear of her passing. Cookie and Mark

“ One of my first Halloween adventures, when I was a little boy, Leslie made my costume for me. She is 8 years older than me and took the time to make an "octopus" costume for me. She meticulously crafted it from paper-mache to make all the tentacles. Unfortunately, for me that night, it rained and the whole costume was ruined. I was upset and when I got back home, she just grabbed me and gave me a big hug to make it all better.
