“ *Mrs. Lisa gave me my first full time job when I got out of EMT school in the late 80’s. I valued her friendship through the years. You just don’t find many people who are so dedicated to their immunity. Rest high my friend!* ”

“ I so enjoyed working with and getting to know Lisa when I served Banks County as an Assistant DA and later as District Attorney. Her devotion to the people of Banks County, her servant spirit and her always cheerful demeanor were an inspiration to me. Lisa will be greatly missed. Genoria and I will be lifting Lisa's family in prayer that God will provide them comfort and peace until we are reunited with her in Glory in His perfect time. Rick Bridgeman

“ Lisa McClure was one of the greatest ladies I have ever known. She had a heart of pure gold. She worked tirelessly to make our Banks County a better place. She had a true Christian heart. She was the one who created the museum in the Historic Courthouse. I will miss her so much.
