“Lois is my Sister, we are a year apart. Lois was always a mother figure even growing up. We had a hard time growing up, but it made us all strong woman and we all wanted to make life for our own families better. Although we had a hard life, there was always love for our family. I remember Lois, Kathy and I took a trip to CA when our youngest brother got sick. We shared a hotel room. We laughed until we peed our pants, then we laughed some more. Good times. Lois always encouraged all her nieces to be the best they could be and push for a good education. I'm sure she did the same for her nephews also. Our family will truly miss her. At our get togethers she always made a fantastic Apple Cake. We will miss that. I will miss her and love her forever. But I know she's at peace and we'll see each other again. We will be praying for Sam, Allene and Wilson and their families in the weeks ahead. Your Seeister, Phyllis

“Love and care was in sister McMahan' cup, she was always willing to pour it on all that she met. So thankful God allowed my wife and I to meet them, such a woman of God. Her kindness and compassion was felt at all times, so glad to have known her. Her laboring for Christ and his church will be her reward, a faithful servant of the Lord. Praying for the family. 🙏

“ Sam and family, I had the privilege of working with Lois at Sunrise Manor Nursing and Rehab in Somerset, Kentucky for several years. Lois was a caring and competent nurse, very knowledgeable. She was a wonderful team member. She was trust worry, always at work when scheduled and always willing to go the extra mile to see that our residents were well taken care of. She was a friend, always encouraging and supporting me. She was so good to my wife and two daughters. We worked hard, complained every now and then, but had lots of fun and laughs working together. Above all she was a good, Christian lady who was a great example for all of us. I am so thankful that our earthly paths crossed. Prayers for you all.
