“ *My thoughts and prayers are always with your entire family Alphy. I can't even begin to count the forever memories I have of your wonderful family, and your warm hospitality. We would come from Atlanta to visit and couldn't wait to get to your house. The baseball and kickball games on the side of that old house next to Granny Savages and the fun when Walter pulled his guitar out and Granny would do the Charleston. She'd make that old house built on rocks shake. Man those were the good times. Marks was oe of the best looking young boys I'd ever laid my eyes on. I hope and pray in the years he had, that they were good ones. Love to you all
Denise Thomas aka Mae Lee's granddaughter.*
