“ Marian was a true friend to all my family. She was a second mother to our daughter, Ann and loved her like a daughter even in the years since Jackie has been gone. My love and prayers to Keith and all the family.. Wish I could be there to at least give y'all a hug but have decided with the weather conditions it's best I not go at this time. Love you all, Nana June

Thinking and praying for you all! I have many good memories of Mawmaw! Not only was she a sweet lady, but a great hostess anytime I visited her home. My most vivid memory was traveling to her home with Ann before she and Jackie married and we would spend the night in "our" bedroom in the basement! I thought that was so "cool"! Love you all very much!
