“ I will always hold a special place in my heart and send up thanks to God for giving my life a season to be loved by Martha Dean. My childhood was sweeter and better with her loving me and my family like she did. She cared for us like her own and treated me like a daughter. She is a reminder to treasure your seasons and make the time to give back to those who gave so selflessly to you. MD, you have made the destination we live our lives for.
In my heart, Sheryl Gaddis Davis

“ Ms Martha was like a grandmother to me, she was a great neighbor and a bestfriend to me who I loved dearly. I used to go to her house nearly every day to spend the day with her. Also it was a joy being her CNA too. She will be very very missed. I know she is resting well now. I love you Ms Martha.
