“ *Noodie was one of the kindest, sweetest, funny people I have ever known. She helped take care of me when I was a child and my mama was sick. We lived nearby. Mark and I were class mates, friends, and our families friends and neighbors.*

Noodie would entertain us kids. She would let us interview her with our cassette recorders and she would tell hilarious stories. Sometimes she would strum a guitar and sing. She was precious to me and I will never forget her kindness and love. A truly great lady. It was a true blessing to know and love her. She brightened many days in my childhood. ❤️
