“ *I am so sorry for your loss. Aunt Mary was such a sweet woman. I have many fond memories of her time in Texas at Sonya and Bobby's- I am Sonya's niece. I saw her a few months ago and was able to hug her neck and tell her I Love her....so grateful for that short visit. Cathy Bolton Gill (Freya's daughter)*

“ *Aunt Mary was my favorite aunt. She would always cut my hair when she visited us in Texas and made my favorite Texas sheet cake on my birthday. Always loved playing skipbo and uno with her and mama. I will love and miss her always*

“ *Great lady, awesome teacher and mentor to many. She cared about her students and always encouraged me to do my best. She will be missed but will always live in the memories of all that were lucky enough to have met her. Heaven gained another angel.*

“ *Wish God could or would make more women like Mary. She loved everyone, and everyone loved her. As my cousin, she wasn't really a cousin but more like a sister. I can hardly think of life without her. No one like her, never will be. I am thankful that she is with God and has no more pain.*
