“ *Billy and Mary, my husband Bob and I were fast friends made through the Sons of the Revolution.(and Mary and I through DAR). Mary and I spent many an hour solving life's problems while waiting for our husbands who were at Board meetings for SAR. I have missed her greatly since she left Columbus. Once Billy was diagnosed with TB, and since we spent so much time with them we were required to report to the Health Department to be checked for TB also. (came up negative). Mary didn't cook very much so often I would take them some delicacy from my kitchen. My Bob died last June so I am the last one left of our foursome.*

“ The window does not come up clear. I knew Mary from 1951, when I lived at LaGrange College and she was a student. We renewed friendship, after I moved backback to my native home, in Columbus, where I met Billy and became involved in SARs withmy husband and Mary and I were in Oglethorpe Chapter DAR. She was a dear friend. We loved each other. She will be much missed. I am only happy that she is not suffering. She blessed many people with her Christian life.- Biddy Barfield (no kinship with mark) Hammett

“ I taught school with Mary at Rothchild Jr. High about 38 years ago!!!!
She loved those children and she always made me smile. Then I realized she had married Billy Thompson, one of my favorite friend's dad. He, being one of the sweetest men I have ever known, and Mary made quite the pair. I will always remember Mary's smile and her shoes!!!!
