“ *My first major memory of my aunt Mary was going to her wedding when I was about six or seven years old. It was her first marriage to Robert Harrell. It was the first wedding I had ever gone to and I thought she was the most beautiful woman in the entire world. She was a nurse which was impressive and she had beautiful red hair .and in all of the excitement of her wedding she actually been down and kissed me and hugged me and I was in heaven.*

I am so sorry I cannot be at the services today because I am unable to travel right now. I love y'all are in my prayers and thoughts today. I keep visualizing your mom coming together with her parents my mom and her other brothers in heaven. What a glorious reunion! They are all together again and happy sending love and joy down to us! That's my thought for today and I'm holding onto it. I love all of you!
