“ Sadly, we bid farewell to my brother-in-law yesterday💔. We had shared nearly half a century with him, and his influence on our family was profound. My sister Helen was married to him for 48 years, and they brought up four wonderful children whom I cherish. Michael D Pitman will be terribly missed; he was a man of deep faith, and I picture him joyfully resting on Jesus Christ's lap. His love was boundless, and we reciprocated that love wholeheartedly.💔💔💔
🙏 maybe he will see his mother in law in heaven and they can banter over card games like in the old days😭❤️❤️❤️❤️

“ I dated Mike when I was about 14. Many years ago. I am from Atlanta too and we both ended up ironically in Commerce. I never saw him after he moved here but I did talk to him one time. He was a sweet guy. My condolences and prayers for the family!

“ I always called him Dad because he was Tonjas dad and she was my best friend. He was like a bonus dad to me! I was 15 when I first met him and he was always so good to me and treated me like his own! (Tonjas mom did too!) He always was saying something that would make me laugh! He loved the Lord and it brings me great peace to know he is rejoicing in heaven with Jesus! I will miss him! Love you Dad but I will see you again one day! ❤️
