“ *How we loved our ‘ Nandina/Nantahala’!*

Her energy, kindness, and joy of life are always the first things to come to mind. Terry and I wouldn't even think of taking a wedding or event, without checking with Nan; we knew with Nan my our side, we could tackle any project, no matter how large or small.

An invitation to dine with her and Mr Truitt was never turned down. She was the only person that could prepare green beans that I would eat.

I will always cherish our time spent with Nan; she was ‘one of a kind’.

*May Gods light shine eternal on all of you,
peace,
Ty Leslie*

“ Nan Brown was an energetic lady always busy at various tasks and whatever the task her motto was “get ur done”! She was very efficient regardless of the job. She enjoyed cooking, decorating, eating out with family and friends, traveling or working on a church project. Whatever the task she always was having fun. Her sweet, kind, fun loving Christian lifestyle was a blessing to those around her. Treasure the previous memories you share and just know she is rejoicing with the Lord and one day we shall see her again. Until then prayers that our Heavenly Father will provide strength and comfort to you during this difficult time.

So sad to hear of Mrs. Nan's passing. I look for her every time I pass her house. She was such a dear sweet lady and I've missed seeing her sit on her porch and waving at her the last few years. I've known Nan since I was just a little girl going into Commerce Drug and enjoyed working with her at the Pottery during my short time there. Brent and I send our condolence's to the family. Our prayers and thoughts are with you.

“*Nan was a wonderful friend and neighbor for many years. When my wife, Carol was injured in a car wreck she prepared meals for me and my family for months. Lord that woman could cook. I had to beg her to stop. I finally convinced her that Carol was not ever going to learn to cook again if she didn't. Love me some Nan Brown.*

“ *So sorry to hear of Mrs. Nan passing! My earliest memories of her are of attending church outings at the Brown's house as a child when she taught me at Beaverdam Baptist Church. And then I would see her in my teens at Commerce Drug as she worked in the fountain/snack area. Then I saw her working in the snack bar at The Pottery. On occasion I would see her out at various restaurants around the area with family and she and a couple of sisters once came shopping at a place I worked. Always vibrant and so full of smiles and enjoying life with family and friends. She has left quite a legacy behind!*

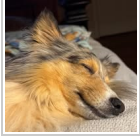

Please know that I will be praying for all of you in the days ahead.

I met this sweet lady when I brought JBTv54 to downtown Commerce and took up residence on Broad St. next to 'Chris's Place'. I knew Christmas was coming each year because she decorated the most glorious trees there in the Hair Salon. She sure was fun. May the grief of all her loved ones be brief. RIP 'Aunt' Nan.
