“ *I am saddened by your loss. I attended high school with Pam. We were also Drum Majors in the Abingdon High School Band. I have so many fond memories of her and the joy that seemed to follow her through life. I only wish that we had kept in touch with each other after graduation from high school. She is a special lady and spirit. Our love of horse's will always be fond memories for me.

“ *Chuck and family, I am so sorry for your loss. Heaven has certainly gained a treasure and you can be assured that Pam is at peace and in the presence of The King. I feel your hurt and know the pain, and I also know that Our Father will sustain and comfort you as only He can. You and your family are in our prayers. Jimmy Henry*

“ Pam was always there when you needed her, always smiling and spreading God’s word. She brought so many people to Jesus. She was a mentor for me. So many people were blessed through her faith. Children, teenagers and adults can witness to knowing Jesus on a more personal basis because of knowing Pam.  
I consider Pam to be one of my dearest friends. Even though my heart is so greatly broken because of wanting to see and talk with her, I know she is rejoicing with Jesus and he is saying “well done my child, your life was well lived.”

“ Pam was the most selfless person that I have ever met. I never considered her a sister-in-law, to me she was a wonderful sister.

“ Pam, as we all called her here at the Postal Service. She was a beautiful person. I met Pam when I started working in the Maintenance Department in 2010. We prayed together and she shared one of her favorite recipes with me (German Chocolate Upside down cake). It was amazing to me that she would send fresh baked goodies to us every single day. I truly miss my friend. May God bless and comfort the family.
