“ *My husband's sister is at WP, and when we visited, we were often greeted by "Patty Cake," as they called her. She was always so friendly and sweet. It's heartwarming to read of others visiting her, and to see a photo on this page of her with a pet. (My son also visits WP and takes his little dog for the residents to enjoy.) We were shocked and saddened to learn of her passing. We're thinking of her family.*

“ *I took care of Mrs. Patty Cakes as we all called her when I worked at Whispering Pines. She was the sweetest, kindest, most polite patient. I loved talking with her about the "good old days". When I left to take another job, I sure did miss her. She will always have a special place in my heart❤️*

“ Pat was a sweet and caring lady. Working with her at CB&T, I saw her serve the customers with a smile and go to any length to help meet their needs. She was a special lady.  
I am thinking of you and will have you in my prayers.

*My name is Rebecca Harrell. I went to visit Patty Cake at Whispering Pines. Hazel and I took fried chicken and the fixings for her and MRS. Dixon. We sat out on the enclosed patio and had a very good meal. I'm sorry to hear that she passed away. She was loved by all who knew her and she will be missed. My sympathy to her family. Blessings.
