“ *Dear Don and family, my heart was filled with great sorrow and pain when I heard about Patsy passing. Words cannot truly convey my most heartfelt condolences for your loss. After the tears have dried and the goodbyes have been said, all we have to hold onto are the happy memories that we've shared with our loved ones who have passed, this is what keeps them alive in our hearts and in our minds, and they will continue to live on, through us. I will pray for God to give you peace and healing over this lost. Patsy was always so sweet to mother and I so appreciated her. Sweet lady! Sorry I missed her service but you will be in my prayers and thoughts. See you when I return back to Georgia in the fall. God bless you all, My love & prayers Gail Westbrook*

“ Patsy was my neighbor for a number of years and her children spent a lot of time at my house as well as the time they spent at her house. Patrick, Elaine and Jeff i will always think fondly of your mother. When she retired from Farm Bureau I didn't get to see her as much Just when we ran into each other at Walmart but we spent time checking up on the kids and grand kids
