“ *I remember Ms. Mason well, she was so polite in telling us to quiet down, one day in-particular a male student was cutting up, and we were laughing and she walked up, never said a word, but the look on her face, we knew we had crossed a line. My sympathy to the entire family.*

“ *I remember being in the library and there was absolutely no fooling around. I was very young then but I still remember how sweet she was.*

LeeAnn Carson Waller - May 25, 2017 at 09:50 AM

“ *She was a very kind lady and she always wore a smile. Did expect us to be quiet in the library which we were since we had so much respect for her!*

“ Such very sad news! Fond memories of the hours spent in the library and her ability to quiet everyone with just a whisper. I will always remember the way she would compliment us before telling us to be pipe down. For example, you are wearing such a pretty dress today and could you please be a little quieter? A true lady who will be missed and remembered fondly by many. My thoughts and prayers are with the family.

“ My sincere condolences to the Mason family. Mrs. Mason impacted many lives during her tenure at Banks County High School including me. We spoke of her with fondness when I started working as the media clerk at a Toccoa Elementary School. I loved the library, reading and working in the library when I was in school! And I don't ever remember her raising her voice but of course we were always quiet!

She was a very graceful and kind person. She was very important to shaping so many children's lives. I remember checking out the book Angel Unaware by Dale Evans and she said you will enjoy this book. Both of which made a lasting memory for me. Rest in Peace.

“ Lots of memories of her from school 1961-1964 library class .Used this to do my homework for next day and on a funny note she took care of any revealing photos of the native tribes that were in National Geographic Magazine.RIP Mrs.Mason.
