Tribute Wall

“ *" 'Tis a gift to be simple, 'tis a gift to be free" is a song that truly captures Peggy's admirable character. She was generous, recognizing needs and jumping to help, often in silence. The kind of person who deserves to be memorialized with a famed "star" for her many, many talents and spirit of learning and sharing. I'm certainly grateful I was able to know her for most of my life and take some of the impressionable memories with me through my life.*

“ Mrs. Peggy was a mentor to me and a true role model. I used to come over to her house and play with bunnies, look at her beautiful pottery, and just sit and talk for hours. I will truly miss Mrs. Peggy and always keep her in my heart. Prayers to her family
