“ *My sincere condolences to the Hoard family. Peggy Jean and I were good friends, while growing up in Jefferson GA. Our fathers were close friends and we shared a Westmoreland family. She was always interested in the medical field, volunteering at the hospital, during her teen yrs. We reunited a couple of yrs. ago at a Jefferson Courthouse restoration dinner. I know she will be missed by her family, but is now healthy in God's care.*

“ Peggy Jean and I go back to our roots in Jefferson, GA. We started first grade together and in lock step all the way through until we graduated from JHS as part of a class of 90. I was on that Homecoming Court with her and then we both ended up in Rutherford Hall dorm at UGA. Peggy Jean was always the voice of reason and kept everyone grounded. She was always the one with the best grades!!! And she looked cute as could be in her hats!!! I love you, Peggy Jean! Go Dragons and Go Dawgs!! Marsha Davis
