“ Bonnie, I was so sorry to come across Mr. Ralph's obit, and hope you and your family will accept my sincere condolences, although late, at his passing. Oddly enough, I was searching for you hoping to say hi and see how you are. You and Aunts Lois and Barbara (Bob) are the only elder relatives I have, so I was just wondering how you are. Please know I think of you often

“ I did not know Mr Ike Hanley. I heard my late husband mention his name. My late husband installed poultry equipment into poultry houses. That is how he got to know Mr Ike, he thought a lot of him. Now they are talking in heaven about everything.
Prayers to all the family 🙏🌹🙏

Ike and Bonnie have always been special people to me. They cared about everyone . Seeing how they loved each other and their family and their friends was always inspiring to me as a younger adult. The Lord blessed them with long years and now Ike is blessed with a new body.
