“ *I pass the house of MS Reba and MR Clayton twice every day and remember how much I loved to see them growing up. (maybe it was the candy in the bottom drawer of the china cabinet!!) .. MISS Reba always was fixed up so pretty, her hair , make up and lip stick just to drive a truck to haul hay. i'd like to be just like her... the family made a forever mark on my life and in my heart*

“ *Dear Clay and family, I was very sad to learn of your Mom's passing. She was a very special lady. My mama passed away in September so I know the pain you are feeling right now. But knowing how Miss Reba had such a zest for life lets me know she is back at it in Heaven! I pray our Lord will grant you peace and comfort now and in the days ahead.*
