Reece was a very kind and sweet man. At church when he greeted

“ My condolences to the family. I know the DBF family is also saddened to hear of Reece’s passing, as am I. Reece hired me in 1986 and changed the trajectory of my life in the most positive way and I am grateful. He was a gentleman and guided the Department strategically through challenging economic times. I always enjoyed talking to Reece when visiting our main office and several fun stories and fond memories come to mind. I enjoyed laughing with him even if I did occasionally vent my frustration with some policy, I’m sure. Thank you, Reece, and God speed.
