“ My heart breaks , she was my dearest and closest friend, we spent all the time we could together. Went all through school together. We share many deep secrets. She was a sister that I never had. I use to tell her who I had a crush on so as I couldn't date she would go out with them . Then she would tell me there not good enough for you. Only my friend would look out for me. I love ❤️ you and will join you one day. Rest In Peace.
