I remember Rita from Church and enjoyed talking with her. She always had a smile on her beautiful face.

“ *Our Dearest Aunt Rita, We will all cherish so many of your stories about the good old days, your good food lots of laughs & nobody can watch a movie like you do. You'd take your cat naps & still not miss a beat. We will all cherish our personal crocheted blankets forever. We still can't believe you & mommy both passed on the same day. We found comfort knowing she wasn't alone. May you both rest in eternal peace & join the rest of the family. Heaven has gained two amazing angels. Until we meet again you will deeply missed. We love you Aunt Rita ❤️❤️*

“ Well said Mark. Rita took such joy in pleasing others. She would take care of all of us at the tailgate (regulars and guests) and stay with it through cold or rain. Her kindness showed through every time. Rita will be greatly missed.

“ Oh dear, sweet Rita. For me it's one word "Tailgate" love. She was an icon at Georgia Bulldog tailgates. Even friends I brought only one time would remember her cooking, her love, her friendship and kindness. I was always so proud to introduce her. Years later I would hear "how is Rita?" She loved us all and especially my kids Michael and Allie. She would be sure to make their "favorites." You may be gone from this earth, but you will live and your love are forever in our hearts and minds. God Bless Rita. 🙏🏻🙏🏻🙏🏻
