“ *Judy my heart aches for you. You and Mr. Greer welcomed me in and made me feel like a part of the family after I bought the camper. He would always come up once a day on the 4-wheeler when I was there to see if there was anything I needed. Always sat and talked for a bit. He watched after things while I was out on the road. He was a wonderful person, through and through. Always helping in the neighborhood, staying busy. He will be dearly missed. You and the family are in my thoughts and prayers.*
