“ *I was so sad when I heard of Robert's passing. I was a site manager at one of the washes he was over. I remember the late nights he would be at the wash helping me fix parts teaching me new things.i remember the night he left one of the washes and got in the bad accident, i stayed up all night praying he was ok. I'm praying for his family and his washes family.*

“ *definitely enjoyed knowing Rob and working with him for a few years, we became friends over that time and got to know each other pretty well. Rob was always a hard worker like to joke around, had a little bit of an attitude sometimes, he loved his wife, grandkids, and his kids, and wasn't ashamed of any of it, but Rob was always really good to everybody he was around. I will definitely be missing a good friend*
