“ *Dear Sherry and Family,
We are heart broken to hear of Robert's passing...we so enjoyed the stories he shared with us about his "love story" with you, Sherry and he always spoke so proudly of the children and all that was happening in each of their lives. What an amazing family man and example of what that should look like. Please know that we are praying for each of you, trusting the Lord to blanket you in his comfort and show you how to move through each day. Our deepest sympathy and love, Wayne and Cindy Nichols*
