“ *We have known Rusty for a long time. He was such a good person and friend. He was a fighter and fought cancer for a long time. He never once complained although we knew he was in pain and he always had a smile on his face. I hope God has a special place in heaven for Rusty. He deserves to be comforted and be at peace. May God Bless your family. You will always have your wonderful memories. You are in our thoughts and prayers.*

• Yesterday was both a sad day and a happy day, sad because we loss Rusty, but happy because he has reached his final destination in life and is now united with and resting in the arms with our Lord and Savior and is no longer in pain. He will truly be missed here on earth but will never be forgotten because he will live on in our hearts and minds forever. Just know that your family is in mine and Mike's prayers and our hearts share in your sorrow. May God bless you all with peace to bring comfort, courage to face the days ahead and loving memories to forever hold in your hearts. We love you all, Mike and Kelley Parr
