“ *Our sympathies and love to Larry and Billy and families in remembering the life of Mrs. Ruth and the many lives she touched through her years of serving the Lord. She became a wonderful friend to us through Walk to Emmaus, and was a wonderful example to all who served with her. Keep the precious memories of Ruth to comfort you in days ahead.*

*One of my Mothers, in my life I have been Blessed to have three. My birth mother a neighbor that used to sneak me away from my house and mom would find me at her house and i loved her dearly and then there was my Aunt Ruth was the third as she would keep me over summer. I would spend a couple of weeks at home and then i would go to her house until my parents came to get me a couple of weeks before school started. I loved her very much along with her family. Love you and i will miss you greatly.*

“ *Mere words cannot convey the depth of my feelings for Ruth. I can almost feel her large warm hands as we prayed with her prefacing her prayer with “Father God” from her lips to God’s ear. Talking about planting seeds of faith, she not only planted she nurtured her seeds. God alone only knows the numerous positive influences she had on people’s lives. And oh how she loved her family. I am so thankful due to Larry and Patsy and Billy and Elaine that she got to remain in her home, I can just imagine how difficult that was. She was a great lady and I loved her. “I thought she could walk on water” I was more than blessed that she was in my life:*

“ Ms Ruth was one-of-a-kind without question. She was a mover and a shaker and got things done that needed to be done. When she spoke it was always with wisdom. She was a strength to her family, community and church. Ms Ruth sponsored my Walk to Emmaus. . Her Christian influence was far reaching. I so appreciate her investment in my life all these many years. Dianne Nunn
