“ *Im really at loss of words. You were taken from us way to early but I feel good knowing you are pain free and walking along with Jesus, JR, and your brothers. I remember as a little girl I would be so excited to go to Aunt sis and Uncle George's house to watch the race, eat good food, and play bumper pool or horse shoes. It was always a fun time. I have awesome memories with you always. Rest easy Sis. We will love and miss you always 🦋🌸*

“ *My Aunt Sis. You were such an amazing person! I will never forget all the wonderful memories we shared! All the fish fries and cookouts, bumper pool in your basement, running in your yard as a kid and most importantly, spending time with Family, making memories. You are loved by many and will be missed severely! Until then..*
