“ *My first memory of Sharon set the tone for every encounter after that. I met her at SUUSI when we were volunteering together at Registration and she instantly smiled and greeted me and offered to help me if I needed anything since I was new. She was always pleasant, usually cheerful, and funny at times, and an overall delightful person. I only got to see her at SUUSI, at some of her times at The Mountain when I was there, one time at SWIM, and once in St Augustine. Rest in peace, Sharon, and know you spread kindness and laughter where ever you went. Thank you. <3*
