“ *Sharon will be truly missed. She was sweet and very kind Cousin. My last memory of her is when she came to Michigan and how we had a great time spending with one another. Her death was a shocker to me. That is why we should live as though tomorrow isn't promise. REST IN PEACE MY DEAREST COUSIN.*

“ 🌸😭 *I am so heartbroken to find out about Sharon's transition. Sharon and I have spoken on a few occasions about health and wellness. Sharon cherished a listening ear. Our last conversation involved us cooking at the same time; in which Sharon was cooking vegetables. She shared her struggles and she shared her gratefulness when having a good day. I am so shocked. I regret not having called her in some time now. I sincerely hope that Sharon is truly at rest according to Gods word that we will be like him, in his image. You are healed Sharon! No more pain! No more pain! God Bless You! Love Jenn*
