“ *Carol and Family, so sorry to hear about Skip's passing. He was a great mentor to me during my Kmart days when we toured all the Big K projects in Charlotte. Skip was the best leader a team could have with many great ideas. Our many accomplishments at Kmart would not have been possible without Skip's input. Our prayers and thoughts are with you during this most difficult time. Jay Pew*

“ *Hi. You don't know me but I worked with your dad for many years at Kmart. Together we worked on the BigK conversions and the Kmart Express gas stations. Skip was a great leader and an even better person. He was loved by his team and everyone that worked with him. So sorry to hear the news but wanted you to know what a great person he was. Our prayers are with you. Jeff Smith*
