“ *Cherie I love you so much and you know I know your heartache. If need me call me. You told me when Warren died just think if we hadn't had them in our life We would have miss the dance. You also know Gods is with you. I wised I could take this heartache away. We both know that can't be done. I love you and the kids very much. May God get you through this cousin. I be waiting for call.*
