“ *Steven it has been the hardest 4 months of my life scenes you left this world I miss you so much. Your crazy sense of humor. You and bird always making me laugh. There has been no laughter in my heart sense you left only when a crazy memory, text, or remark pops in my head brings a smile. Thank you for theses I know they a from you. I wish I could put my arms around you, pull you close and feel your gentle heartbeat and let you know how much you were and still are loved. Thank you for being you and my wonderful son. You will never be forgotten. I will carry you in my heart until I can hold you in heaven. Never leave me. GOD said he didn't take you he only moved you. We will be together again. You are truly free now to enjoy all the things you were unable to do here on earth. Run Steve Run. Fly high and visit often. Love you 💕💕*

“ Stevie...thinking of you today and each day since you passed over. I just have to say, I threw the wagon across the yard not at Lee Lee, LOL, only you will get it! And be nice to G Ball if you see him. I have so many memories especially of your childhood and am so thankful I was a part of it! I love you like one of my own and can't wait to see you running those streets of gold.
