“ Ms. Sue’s & my family were both part of the Lutheran Church Of The Messiah going back to the sixties when her son Vic & I were both in the same Confirmation class with Pastor Carpenter. Some years back, after church service concluded, I would be leaving the parking lot in my red GT Mustang and Ms. Sue would see me & hold her hand up to her ear to ‘say’ rev that hot rod up so I can hear it...did this more than once & brings a smile to my face just thinking about it. She & I really enjoyed talking with each other...what we had was real and special. I will miss her. With it being hardly a day since she ‘changed her address’, I can only imagine how wonderful it must have been to come face to face with Jesus...perhaps the words she heard were “welcome to my Kingdom good and faithful servant, I have your room ready for you...go see your husband Vic, he’s been waiting for you...and I’ll see you later at supper time...I have a place for you at my table, right next to Vic and right across from your mother & father”. I look forward to seeing her again when my special day comes.

Ms Sue had two beautiful children who watched over her. I met her and told her she was a blessing to me because of her influence on Jenny and Vic. Jenny is my next door neighbor and loved her mom beyond words. Ms Sue was a blessing to so many.
