“ *Susan was the kind of friend who could make you feel like you were the best person in the world. She was kind, compassionate, and loyal. This world will have much less joy in it without her love and kindness, but we will see her again, and I can't wait. Love to Max and her entire family. Rob, Kim, Emmett, and Cam*

“ My prayers are with Susan's husband, her boys, and family. Susan was a sweet and loving lady. She befriended me on my first day at Gainesville Eye Associates and taught me so many things there. She would give great advice and listened to anything I talked to her about. She always had a smile on her face and was always happy to see everyone. The patients absolutely adored her. She will definitely be missed, but never forgotten.
