To th1e family of Terri Bailey and Robert Bailey, about a year ago the Lord laid on my heart to look up Terri. She and I worked together at meridian medical group. We became close friends. We would go out to lunch together and just spend time talking on our breaks and she was so easy to talk to. I got to know her husband through her and her children do her but not well. She called about the children all the time. Bobby was a kind soul. I was so shocked to learn that they both had gone on. I still miss her. To me she was so young when she passed. I'm still in shock. Family I know that you must be still grieving from time to time but just know that God is still with you and he'll never leave you trust him put your faith in him. With sincere condolences, Gwen Stone.
