“*Terrie and I visited frequently in the short time I knew her. When I first moved into the neighborhood she would often stop by to see if I needed anything. She seemed to be a very giving person. She spoke about her family often. I know that her family is grieving for her deeply. Please know that we understand your pain. I am grateful that I had a chance to meet Terrie before her time on this earth ended. She will be missed by many. May she rest in peace.*”
