“ *Loved having class with you, you were such an amazing guy! When I was upset over something you always kept me company and would always make sure I was okay. You made sure I always got to my car okay after school, and you'd always text me to see if I made it home. You were such an amazing friend. I'll always remember you. I'll always remember how your dream was to own a mechanic shop but only for "bada**" cars exactly how you said it and you just loved cars and you always showed me pics of cars you loved. I'll always remember that you gave me a caprisun every single day after school. You will forever be missed Tim. <3 I bet you have your dream shop now! Save me a ride! I'll see you soon! <3 thank you for everything you done for me in the past.*
